Congressional Contacts

1. I have known Senator Carl Hayden from Arizona for over 20 years. My contacts with him have been personal and political. I would have no hesitation in raising with him any matter requiring complete integrity and protection of confidence.

2. I have known Congressman Harold H. (Porque) Patten of Arizona for over 20 years. The nature of our association has been social, political and military. I would have no hesitation in consulting him on any matter of delicacy requiring protection of security confidence.

3. I have known Senator H. Alexander Smith of New Jersey for over 30 years and worked for him in my capacity of Executive Secretary of the Republican Program Committee in 1939 and 1940. My association with Senator Smith has been personal and official. I would have no hesitation in approaching Senator Smith on any matter, but fully realize that others in the Agency may know him as well as I do.

4. Attached hereto are memoranda from other Office of Training staff members concerning Congressional contacts for whatever use you may wish to make of them.

                                        MATTHEW BAIRD
